PROJECT 1

MINI COLLECTION- A/W 25

To develop a mini collection for women's wear for the age group of 25-30 years old consisting of 8-12 pieces / 4 – 6 ensembles for the upcoming autumn/winter '25 collection after considering the current market trends , brand requirements under the direction of the Senior Designer.

*The **Autumn/Winter 2025** season will witness a harmonious blend of classic elegance and contemporary edge.*

Target Audience

The target audience for this collection is the modern woman who appreciates timeless style with a contemporary edge.She is confident, independent, and seeks versatile pieces that can be dressed up or down. The collection will feature comfortable, layered silhouettes with minimal sleeve volume for women.

Color Palette

Black, Dark Blue, White

Key Elements

- *Denim Reimagined: Luxurious textures and innovative washes and use of elastic cuffs*
- *Lace and Embroidery: Delicate ladder lace and intricate machine embroidery will adorn garments*
- *Textural Play: Pintuck designs will introduce textural interest to both tops and bottoms, while printed fabrics will offer a contemporary twist.*
- *Feminine Details: Ruffle sleeve designs will add a romantic touch, balancing the season's darker color palette.*
- *Classic Necklines: Round and V-necklines will provide versatility and timeless appeal.*

Design Direction

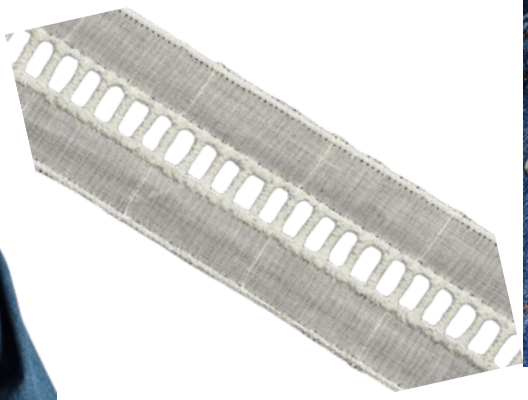

- *Tailored Elegance: Focus on clean lines and structured silhouettes in dark blue denim, complemented by white pintuck shirts and black tailored trousers.*
- *Modern Minimalist: Create a collection of monochrome separates in black and white, featuring denim, lace, and pintuck elements.*

MARKET RESEARCH

Denim shirts , elastic cuff

Ladder lace

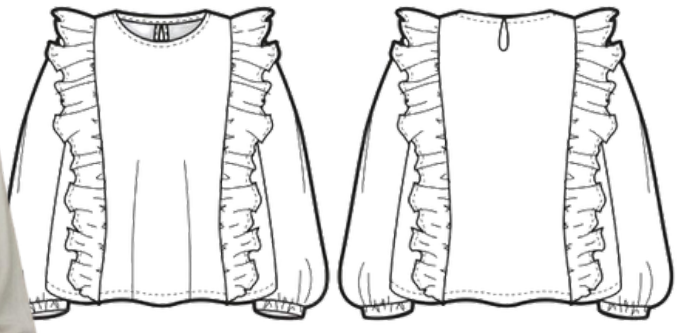

Machine embroidery
